Exquisite Detailing from Top to Base

The modern Scandinavian style design is complemented with tempered glass and brushed aluminium.
The A1 white presents a stunning and sleek appearance; the black version demonstrates a simple and modern vibe.

Squaring Infinite Possibilities

The square structure provides a hassle-free installation, and the capacity to house powerful hardware in its Mini-ITX form. The A1 supports a CPU heatsink height up to 160mm and accommodates up to 300mm length graphics cards.

User Friendly Design

The 3mm tempered glass side panel can be easily removed with its tool-less design by pulling the tabs and lifting up.
A specialized GPU holder provides
extra support to graphics cards to prevent them from sagging.
A dust filter on the bottom reduces unwanted dust.

Floating in AIr

The bottom RGB effect reflects through the transparent stand, creating the illusion of floating.
Floating powered by RGB!

▲ If your motherboard doesn't have an RGB header, please use the provided LED-SATA connector and LED 4-Pin header to set default LEDs.

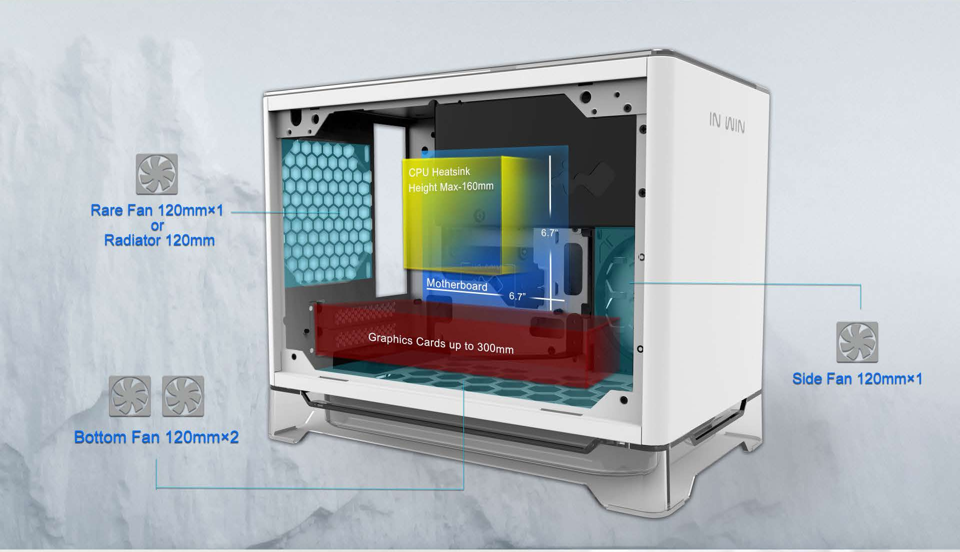
In Win 600W PSU

The In Win 600W PSU has an 80 PLUS Bronze certification. The PSU is prebuilt within the A1 with the cables already managed and is accommodated with two GPU connectors (PCI-E 6+2-pin) for high-end graphics cards. Top PSU chamber makes the system cleaner, and creates an ideal climate for the motherboard and graphics cards.

Optional Wireless Charging Station

The In Win IW-WT01 wireless charger makes life easier with simply placing your mobile device on the charging area. It will charge your mobile device in no time.

▲ In Win IW-WT01 Wireless Charger is available upon request , and will vary by regions.



Specifications

Model	**A1**
Part Number	**A1Black / A1Black-RGB** **A1White / A1White-RGB**
Colors	**Black, White**
Case Type	**Mini-ITX Tower**
Case Materials	**SECC Steel,Tempered Glass**
M/B Compatibility	**Mini-ITX**
Expansion Slots	**PCI-E x 2**
Maximum Compatibility	**VGA Card Length: 300mm** **CPU Heatsink Height :160mm**
Front Ports	**2 x USB 3.0** **HD Audio**
Internal Drive Bays	**2 x 2.5"**
Thermal Solution Compatibility	**1 x 120mm Side Fan** **1 x 120mm Rear Fan / 120mm Radiator** **2 x 120mm Bottom Fan**
Power Supply Compatibility	**In Win 600W PSU Included**
Product Dimensions (H x W x D) **with screw & handle height**	**273 x 216 x 355.5mm** (10.7" x 8.2" x 14")
Product Dimensions (H x W x D)	**273 x 210 x 355.5mm** (10.7" x 8.2" x 14")
Package Dimensions (H x W x D)	**344 x 295 x 414 mm** (13.5" x 11.6" x 16.2")
Net Weight	**6 kg/ 13.2lbs**
Gross Weight	**6.9 kg/ 15.3lbs**

- In Win products comply with RoHS regulation.
- Specifications may vary based on different regions.
- Wireless mobile device charging and Polaris RGB Fan are available upon request, and will vary by regions.
